

Aqua Safe Suit

For added safety and personal protection **CESCO** recommends the **AQUA SAFE SUIT** series of products. Made of reflective UHP water proof fabric, this apparel can provide chin to toe protection against possible injury from accidental high pressure water streams associated with waterjet blasting. Available in a variety of configurations and sizes for comfort and mobility. Complete set is made up of a jacket, bibs, and boot covers, also sold separately.

Also available with your company logo and colors.
